

# Advent Lutheran Heritage Tour 2024

## Participant and Youth Subsidy Information

As in years past the Advent Lutheran Heritage Tour is an opportunity for Advents' confirmed youth to participate in an educational tour abroad, focused on our Lutheran Heritage.

### Trip Participant Information

- Heritage tour is a "Youth-focused trip" offered to Advent members and their families.
- This trip is built for our confirmed youth, 12 & older.
- Families, past travelers, couples, singles are also welcome.
- The minimum traveler age is 12. No maximum.
- Travelers should plan for extended walking, carrying, and maintaining their own luggage and long, but fulfilling days.
- All youth traveling must have an accompanying adult or designated adult chaperone.
- We encourage families sending more than one youth to also bring parents along.
- Trip has both structured and unstructured events (guided tours vs. dinner on your own).
- Our bus will hold approximately 55 people - so it will be crowded and merry! Be advised.
- Rooming lists will be created once tour participants are confirmed.
- Single rooms are limited and will carry an additional fee.

### Youth Subsidy Information

Through generous giving to our **Advent Lutheran Heritage Fund**, we have funds to support our youth in offsetting trip expenses, as in years past.
